

NOVENA FOR PAPUA NEW GUINEA

MONDAY, OCTOBER 25 UNTIL
TUESDAY, NOVEMBER 2

God of All Life

Look with love on the people of Papua New Guinea as they struggle with Covid-19.

Embrace them with your strength during this troubled time.

Breathe your consoling Spirit into their hearts.

Let them know your wisdom through the right judgements and truthful communication of their leaders.

Let them experience your healing and hope through the care of skillful health workers.

Prompt wealthy nations to share their medical resources swiftly and generously.

We pray this in the name of Jesus who reveals your compassion to us and in company with Mary, the Woman of Mercy, Blessed Peter To Rot and Venerable Catherine McAuley.

Amen
