2. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

b) Foreign Currency Translations and Balances

Transactions in foreign currencies of the company are translated into functional currency at the rate of exchange ruling at the date of the transaction. Foreign currency monetary items that are outstanding at the reporting date are translated using the spot rate at the end of the financial year. All resulting exchange differences arising on settlement or re-statement are recognised as revenues and expenses for the financial year.

c) Revenue Recognition

Revenue arises from donations, bequests & legacies, grants, interest received and distributions from investments.

All revenue is stated at the amount net of goods and services tax.

Donations, Bequests & Legacies

Donations, bequests & legacies are recognised as revenue when received, unless the donor have prescribed within an agreement, the manner in which the funds are to be used, whereby the revenue is recognised once the donor's requirements have been met. Deferred income is reported as other liabilities in the statement of financial position.

Grant Income

Revenue from grant income is recognised once the obligations prescribed by the underlying grant agreement have been met.

Interest Received

Interest revenue is measured in accordance with the effective interest method.

Distributions from Investments

Distributions received from investments are recognised when the right to receive a distribution has been established.

d) Income Tax

The Group is exempt from income tax pursuant to the *Income Tax Assessment Act 1997*.

e) Goods & Services Tax (GST)

MERCY WORKS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FINANCIAL YEAR ENDED 30 JUNE 2021

2. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

h) Financial Assets

Managed portfolio investments are initially recognised at cost and subsequently revalued at the end of the financial period to their market value.

i) Property, Plant & Equipment

Property, plant and equipment over \$1,500 are recorded as fixed assets at cost. Property, plant and equipment is stated at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation

The depreciable amounts of all fixed assets are depreciated over their useful lives commencing from the time the asset is held ready for use. Assets purchased are depreciated on a diminishing value basis.

Class of Fixed Asset	Depreciation Rates
Computer Equipment	25%

j) Employee Entitlements

Short-term employee benefits are benefits, other than termination benefits, that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. Short-term employee benefits are measured at the undiscounted amounts expected to be paid when the liabilities are settled.

The Group's liability for long service leave is included in other long-term benefits if they are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. It is measured at the present value of the expected future payments to be made to employees. The expected future payments incorporate anticipated future wage and salary levels, experience of employee departures and periods of service, and are discounted at rates determined by reference to market yields at the end of the reporting period on high quality corporate bonds that have maturity dates that approximate the timing of the estimated future cash outflows. Any remeasurements arising from experience adjustments and changes in assumptions are recognised in profit or loss in the periods in which the changes occur.

k) Leased Assets

The Group considers whether a contract entered into by the Group as a lessee is, or contains a lease. A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'. To apply this definition the Group assesses whether the contract meets three key evaluations which are whether:

- 1 The contract contains an identified asset, which is either explicitly identified in the contract or implicitly specified by being identified at the time the asset is made available to the Group;
- 2 The Group has the right to obtain substantially all of the economic benefits from use of the identified asset throughout the period of use, considering its rights within the defined scope of the contract; and
- 3 The Group has the right to direct the use of the identified asset throughout the period of use, assessing whether it has the right to direct 'how and for what purpose' the asset is used throughout the period of use.

MERCY WORKS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FINANCIAL YEAR ENDED 30 JUNE 2021

k) Leased Assets (cont.)

Measurement and Recognition of Leases as a Lessee

At lease commencement date, the Group recognises a right-of-use asset and a lease liability on the statement of financial position. The right-of-use asset is measured at cost, which consists of the initial measurement of the lease liability, any initial direct costs incurred by the Group, an estimate of any costs to dismantle and remove the asset at the end of the lease, and any lease payments made in advance of the lease commencement date, net of any incentives received.

The Group depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Group also assesses the right-of-use asset for impairment when such indicators exist.

At the commencement date, the Group measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available, or the Group's incremental borrowing rate.

Lease payments included in the measurement of the lease liability are made up of fixed payments.

Subsequent to initial measurement, the liability is reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification.

When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit or loss if the right-of-use asset is already reduced to zero.

The Group has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in profit or loss on a straight-line basis over the lease term.

The Responsibility of the Board Members for the Financial Report

The Board Members of the entity are responsible for the preparation and fair presentation of the financial report, and have determined that the financial report has been prepared in accordance with the Australian Accounting Standards prescribed in Note 2 to the financial statements and that the accounting policies used and described in Note 2 to the financial statements, which form part of the financial report, are appropriate to meet the financial reporting requirements of the members, the ACFID Code of Conduct, and the Australian Charities and Not-for-profits Commission Act 2012. Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Committee website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.
